W. H. ADAMSON HIGH SCHOOL  
presents the

1962 OAK

# FOREWORD

The students and faculty of W. H. Adamson have always taken pride in their spirit. From September to June this spirit has been exemplified many times over in the attitudes and actions of all connected with our Alma Mater. We, of the 1962 Oak Staff, realizing the value of school spirit, have tried to record its impact on every aspect of student-faculty life in your 1962 OAK.

Too bad, Karol, all that work for nothing!

The cheerleaders of our school are selected by the Student Body after months of hard work and practice. They make our football games and assemblies interesting for all who attend with their antics and cheering.

The "Quiz 'Em on the Air" team defeated Sunset, Woodrow Wilson and North Dallas to become city champions for the second year. The sponsors were Mrs. Chappel, Miss King, Miss Ruffin and Miss Creel.

The Career Clinic is an annual event at Adamson. Here Mr. Cathey speaks on photography as a vocation.

On Career Day Miss Laverne Paternostro from Neimans spoke to girls interested in modeling.

SENIOR DAY! The one day all students look forward to.

The Band Spectacular is an annual show staged by the band to help raise money for its needs. Last year it was directed by Mr. Robert Davis.

Awards Day Assembly was the day on which all awards for outstanding achievements were awarded.

Judy Ledbetter presents Mr. Norton with a gift from the Acorn Staff.

"There is your picture!"

"Please let me use your pen to sign this Oak"

The Student Council entertained the teachers with a tea on the first day of enrollment for the new year. Knowing how much the teachers were going to have to look at us all year, we just let them help themselves and stayed out of their way.

"I know I am just going to love it here"

"Now, Mrs. Underwood, was that a nice thing to say."

The Student Council showed their appreciation to the faculty for all their hard work by honoring them with a breakfast.

The Student Council installation was a highlight of the Fall term. The officers and members took an oath of allegiance to their school and to the people whom they represent.

# ADMINISTRATION

In every organization there must be leaders as well as followers. However, the persons who are placed in a position of authority are often taken for granted by those under them. Therefore, we wish to offer a vote of thanks to those able administrators who have done so much for our school and its students.

## IN DEDICATION

For her unselfishness and unequaled guidance, we, the Seniors of 1962, dedicate this OAK to its able sponsor, Mrs. Morelle Moore.

## PRINCIPAL'S MESSAGE

It is my earnest desire that the concept of maturity which is being developed in the students of Adamson High School will continue to grow; and that as you take advantage of the many opportunities afforded you as students, you will realize that hand-in-hand with those opportunities are duties and responsibilities which are also yours to assume and handle. The extent of your participation in both opportunity and responsibility is a real measure of your accomplishment.

My fervent hope is that each of you will arrive at graduation in possession of skills and knowledge in keeping with your highest level of achievement.

*Thomas W. Meek*

Thomas W. Meek

It was with great happiness that we welcomed to our building Thomas William Meek as the new principal of W. H. Adamson High School. He endeared himself to all associated with him, first as teacher, and later as assistant principal.

Now we feel it a privilege to work with and under Mr. Meek, a man with a sincere love of people, a sympathetic understanding of pupils and teachers, and a kindness of heart toward all.

This face is known to all at Adamson. Mr. John L. Ligon, ASSISTANT PRINCIPAL, has been with us for the past three years. Now serving under a new principal, he remains a person in whom we may have great pride.

Miss Lona Belle Spruiell serves again as DEAN and friend to our students. She and her busy staff maintain the many necessary attendance records and still have time to see that a lunch is returned to a student.

Mrs. Holloway, former SECRETARY to Mr. Allen and Mr. Adamson, joins the whole school in welcoming Mr. Meek. Serving as his secretary as well as that of the school, she helps lend a bit of gladness to the day of everyone who comes in contact with her.

Miss Roberta King, SENIOR COUNSELOR, and her staff maintain the academic records of the school. Besides counselling all seniors, she has a ready and willing ear for any student's problems or questions.

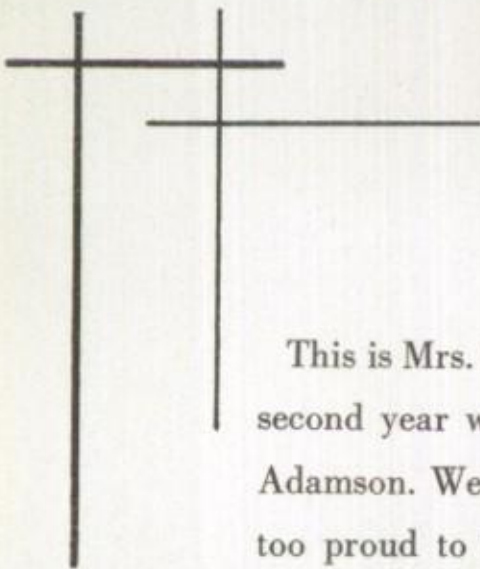

Mrs. Nettie Bridges and Miss Ruth Ruffin assist Miss King in her many tasks. They are indispensable aids and are more than happy to help any student in any possible way.

Miss Thompson, who serves as head LIBRARIAN, is an overflowing fountain of knowledge concerning our library and its contents. Striving sincerely to please, she has helped many a student choose just the right book in his hour of indecision.

This is Mrs. Browne's second year with us at Adamson. We are only too proud to have her here as ASSISTANT LIBRARIAN. Her warm personality cheers all who know her.

Mrs. Sanders, NURSE, is new to Adamson this year. She came to us from California. Whether it be a minor cut or a more serious injury, she always has a kind word and a helping hand.

# H. A. ALLEN

On Sunday, October 8, 1961, the students, faculty, and graduates of W. H. Adamson High School gave an open house in honor of Howard A. Allen, their retired principal. The speakers included Rep. Jim Wright of Fort Worth, a former student of Mr. Allen's; our present Adamson principal, Thomas W. Meek; Dr. W. T. White, superintendent of the Dallas schools; and Dr. Ewell D. Walker, assistant superintendent and long-time friend of Mr. Allen's. All joined in paying heartfelt tribute to the man who had invested forty years in the welfare of our school.

In 1921, Howard Allen came to Oak Cliff High School as coach

Mr. Allen offers his humble thanks to all present and expresses his many fond memories.

Mrs. Allen receives a bouquet of long-stem red roses for her many years of behind-the-scenes help.

and mathematics teacher. He carried Oak Cliff to the state championship playoffs three times—in 1921, 1924, and 1926—winning the state championship in 1924. Between 1929 and 1934 he taught mathematics only. In 1935 he became acting principal. When Mr. Adamson died in 1936, the school was renamed in his honor and Mr. Allen was made principal. For twenty-five years, until June 1961, Mr. Allen was the ruling spirit of W. H. Adamson High School—finding joy in helping and guiding students, in inspiring his faculty, and in watching the success of his graduates. He is a great school man who made his school great.

Congressman Jim Wright and Warren Harding chat with Mr. and Mrs. Allen before the formal reception begins.

Mr. and Mrs. Allen greet many alumni and ex-teachers.

But how could it snow down south of the border?

They could get together even if the UN couldn't.

Aw, come on, boys, it's so cold and those periods were just in fun!

Do you think I ought to try the "old walk around" just once more?

I see them, but where's Zsa Zsa, Mama, and Ava?

Mr. Ligon, I'd be ashamed!

Do you think he will get a... ah... detention?

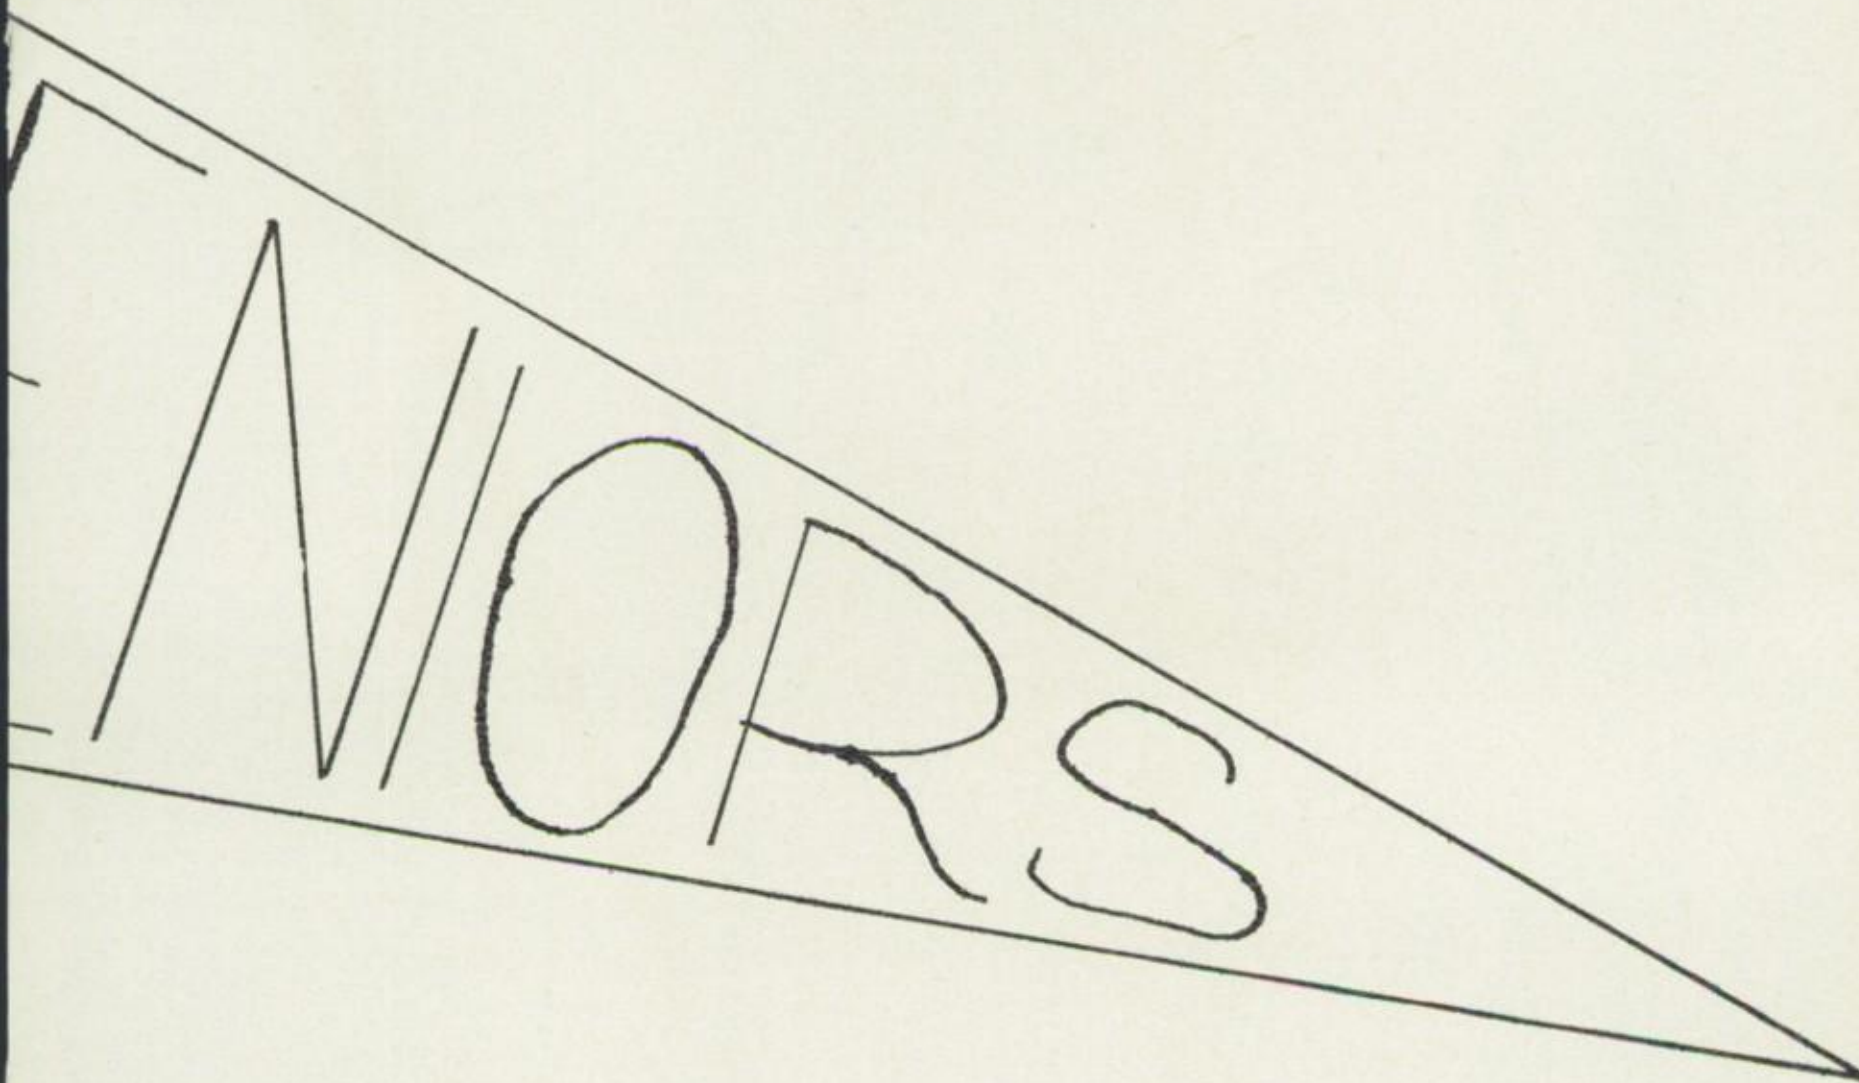

Now, you see here,...

The senior members of any group are always those who make or break its spirit. In this section we pay tribute to the Senior Class of 1962 which has done much to keep the Adamson Spirit as it should be.

# FOREIGN STUDENT

We were very fortunate this year to have Adamson's first foreign exchange student. She is Ofelia Fonseca of San Jose, Costa Rica. During her visit here in the States, she has been the guest of Kay Leatherwood and her family. Ofelia was selected to be an exchange student by the American Field Service because of her outstanding ability in scholarship and personal recommendations. Ofelia previously attended Colegio Superior de Senioritas in Costa Rica.

During National Brotherhood Week, Mrs. Helen Horn sponsored an assembly which introduced the students of Adamson to the foreign exchange program and encouraged their participation. Special guests included foreign exchange students from other schools.

FIRST ROW: Lars Hernroth, Sweden; Hele Kettenun, Finland; Nazneen Sheekh, Pakistan; Mrs. Horn.  
SECOND ROW: Mary Pat Green; Ofelia Fonseca, Adamson; Becky Flach; Robert Araya; Robbie Cludius; Paulette Hankins; Glen Zauber.

# OPERETTAS HIGHLIGHT SEASON

Mike Murphey, Judy Walters, and Steve Lerner, Stars of *Trial by Jury*.

The venerable judge tells his story as the whole court looks on.

Kay Ludden and Hank Price, Stars of *Miss Cherry-blossom*.

These pretty geishas entertain the audience with a dance and fan routine.

# STAR DUST DANCE

The 1962 Oak Favorites are: Hank Price, Dick Fant, Cathy Carnes, Dottie Parrish, Marvin Coats, Phyllis Angona, Tom Holland, Kay Ludden, Paul Callahan, and Sharon Evans.

Quill and Scroll, the honorary journalism organization, presented a dance on February 2, 1962, using a night club theme.

The highlight of the dance was the presentation of the 1962 Oak favorites.

Music for the evening was presented by the "Rebels."

Hostesses and waiters, chosen from Quill and Scroll members, seated and served the crowd.

Some happy, others sad, as the names were called.

All were tense as the big moment arrived.

# UNDERCLASSMEN

The Underclassmen of today are the Seniors of tomorrow and as such will soon have the responsibility of maintaining school spirit. In this section we wish to introduce to you the persons who will help to carry on the traditions of Adamson.

## In Memoriam

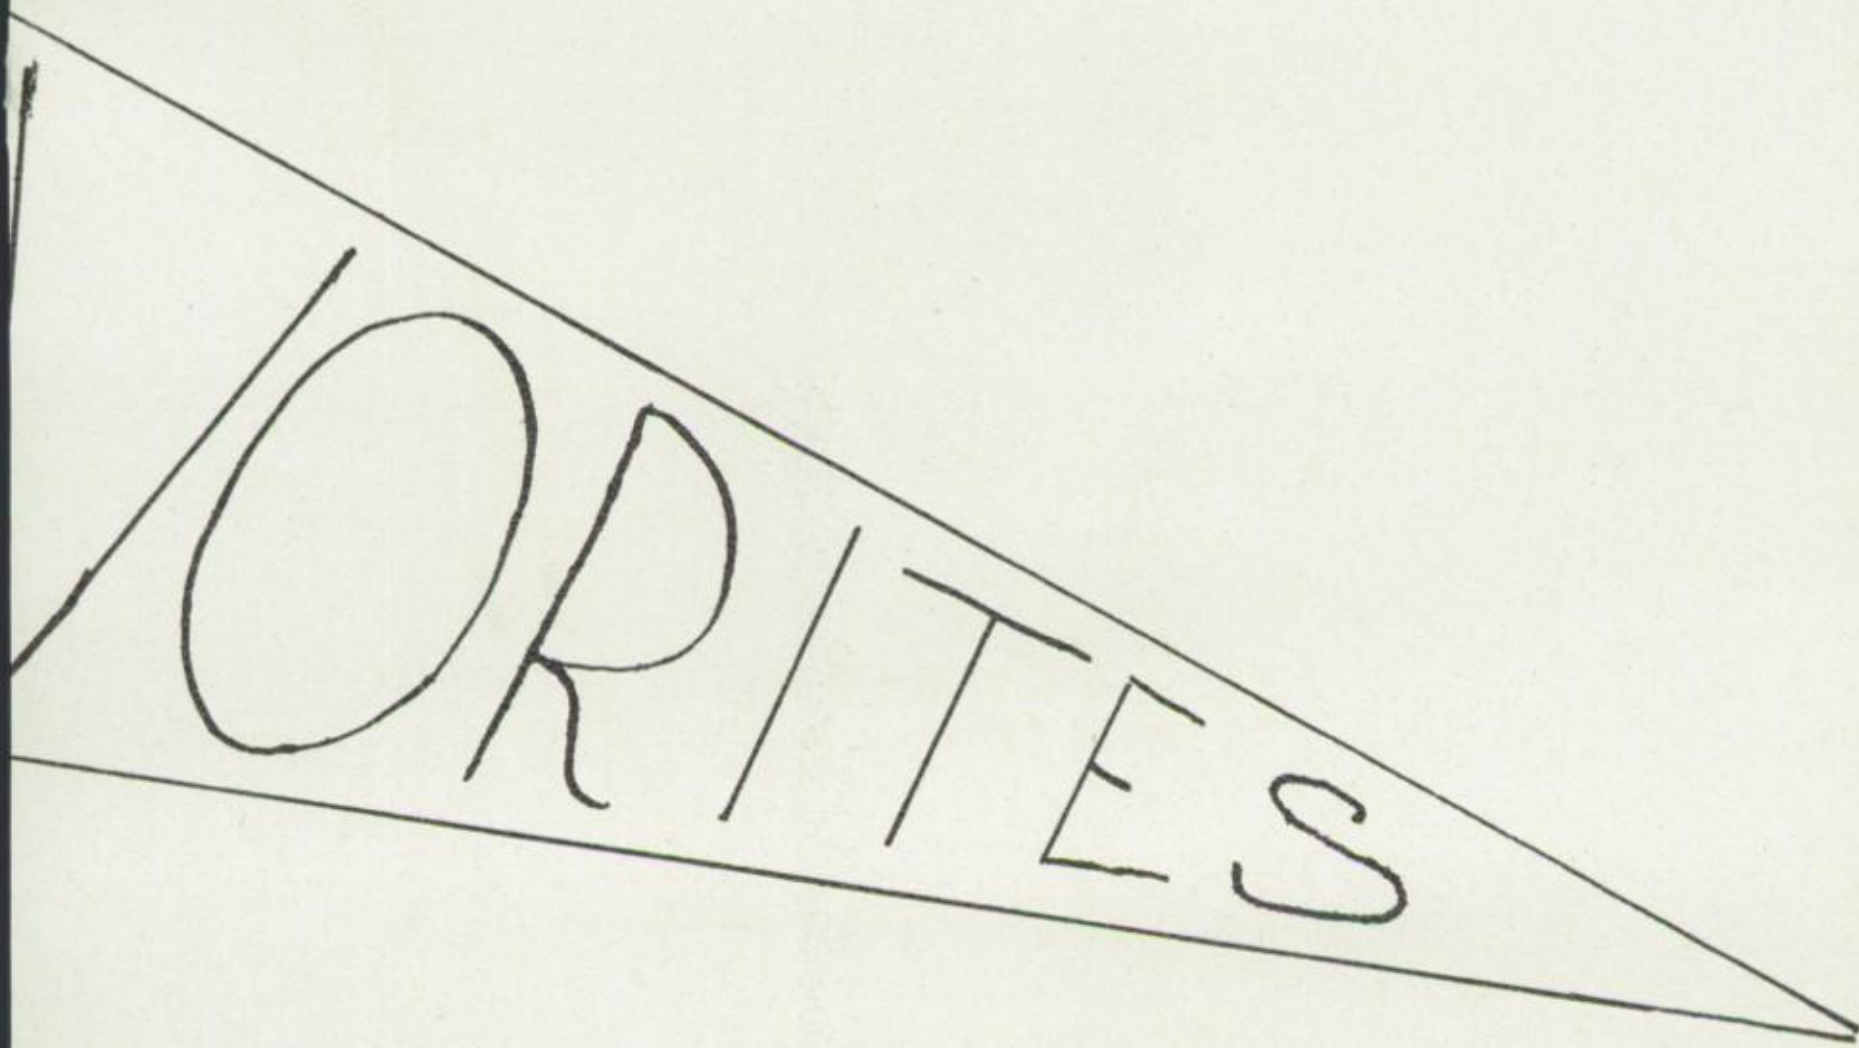

### GARY CRUMPLER

Gary Crumpler, whose untimely death on March 23, 1962, was held in high esteem by both faculty and student body. He was a good student and an all-round boy whose spiritual nature was "sustained and soothed by an unfaltering trust."

These are the people who have worked extra hard for their school and, therefore, have been rewarded for their labor by being chosen for these honors. We hereby pay tribute to those who gave just a little bit more.

The Student Council of W. H. Adamson has 58 members who represent over 1400 students. The officers who were elected last spring are: Don Brewer, president; Marvin Coats, vice-president; Janet Ford, secretary; Billy Pursley, treasurer; and Nancy Melton, parliamentarian. The active sponsor is Mr. David A. Forgey.

This organization's activities started in midsummer with a money raising project. After raising fifty dollars, the group promoted student handbooks which were given to all new students and teachers the first day of school. The council has sponsored a faculty brunch, the annual Student Council-Faculty Breakfast, the Mr. and Miss Howdy Contest, Twirp Week, and Homecoming. They have promoted a series of patriotic assemblies and have provided guides for American Education Week and Howard A. Allen Day. Decorations and activities for Thanksgiving and Christmas have been other projects of this club.

Here the officers of the student council are shown in one of their many projects, namely decorations for Thanksgiving.

Officers and members join in the search for better ways to do things. Here they discuss possible ways of helping the traffic situation around the school with our representative from the Dallas Police Department.

Mr. Teague

# SELECT CHORUS

This year, many beautiful performances have been given by the Select Chorus. These included performances at Mr. Allen's reception, on the Thanksgiving assembly, the Christmas Pageant, and a taped broadcast over KRLD. They have also given several operettas and have sung for many civic groups. The Select Chorus plays an active role in the activities of Adamson.

## LEOPARD BAND

Judy Coffee, Johnny Seahorn, Lydia Thomas

The Leopard Band welcomed this year a new band director, Mr. Russell McKiski. The fall season was full of many activities, including playing for pep assemblies and presenting half-time shows at all the games. The band accompanied the football team to Beaumont and Irving besides marching in the annual Fire Prevention parade, the Thanksgiving Balloon parade, and, for the second year, the Cotton Bowl parade. The band performed in the pre-game activities at the SMU vs. Texas Tech game and were special guests at the Cotton Bowl Classic on January 1.

The highlight of the concert season was presentation of the annual Spring Band Spectacular and participation in the City and Thomas Jefferson Band Festivals. Many of the band members were honored by membership in the Dal-Hi Symphony Orchestra, the All-Region Band, and All-State Band or Orchestra.

# NATIONAL HONOR SOCIETY

*President*

Ann Yarbrough  
*Vice-President*

Carolyn Rhodes  
*Secretary*

The National Honor Society in high school corresponds to the Phi Beta Kappa Society in college. It is sponsored by the National Association of Secondary School Principals.

Students are elected to membership in the National Honor Society by the faculty on the basis of leadership, scholarship, character, and service. Only work done in the 10th, 11th, and 12th grades in the Dallas schools is considered in computing scholarship averages.

In no case may more than five per cent of the III A class, ten per cent of the IV B class, and fifteen per cent of the IV A class be elected to membership. Only III A's with almost an A average and IV B's and IV A's with a B average are submitted to the faculty for election.

These students relinquish their study halls in order that they can help Miss Thompson and Mrs. Browne keep the books in proper order. This helps the students of Adamson find them without much trouble. They also sponsor an annual Christmas party for the present and ex-teachers of Adamson.

Shown here are some of the beautiful decorations made especially for this year's Christmas party. At the left, teachers get together for a friendly chat over cookies and coffee provided by the club.

## FUTURE TEACHERS

The Howard Allen Future Teachers of America Club, organized on November 17, 1939, strives to reach every student preparing to teach and to interest additional young men and women in teaching as their career. Aside from special programs, the FTA attempts to assist our faculty by appearing on assemblies for American Education Week and Texas Education Week. A "Teacher of the Month Award" is presented each month in the school year to honor a member of the faculty and a spring coffee is given in honor of all the faculty. Books for the library, money for teacher scholarship funds, and various other activities are paid for with money made from their fund-raising projects.

# CAREER CLINICS

The annual career clinic, held March 14, was sponsored by the Altrusa Club of Dallas and the Kiwanis Club of Oak Cliff. The guest speaker, pictured at right, Mr. E. O. Cartwright, spoke on the importance of choosing and planning for a career. The picture below represents the comparison between the distribution of wealth and opportunities of the people of the United States, as represented by Uncle Sam, and those of the people of the rest of the world, which was presented in the general assembly. After the assembly people from different occupations spoke to interested students about their work.

## DISTRIBUTIVE EDUCATION

The cooperative part-time school program enables a limited number of students to get practical experience and training on the job and schooling at the same time. D.E. offers an opportunity to learn retail selling in actual work situations. The student is of junior or senior classification and spends one-half day at school and the other half working on the job.

The I.C.T. program offers a large number of trades and occupations from which the student may select and which he may learn on the job. Credit is given for only one and one-half or two years of work in this program. It is impossible for a student to pass one phase and fail the other. If a student is to receive credit, he must do creditable work in both the classroom and the work experience divisions.

# CHRISTMAS PROGRAM

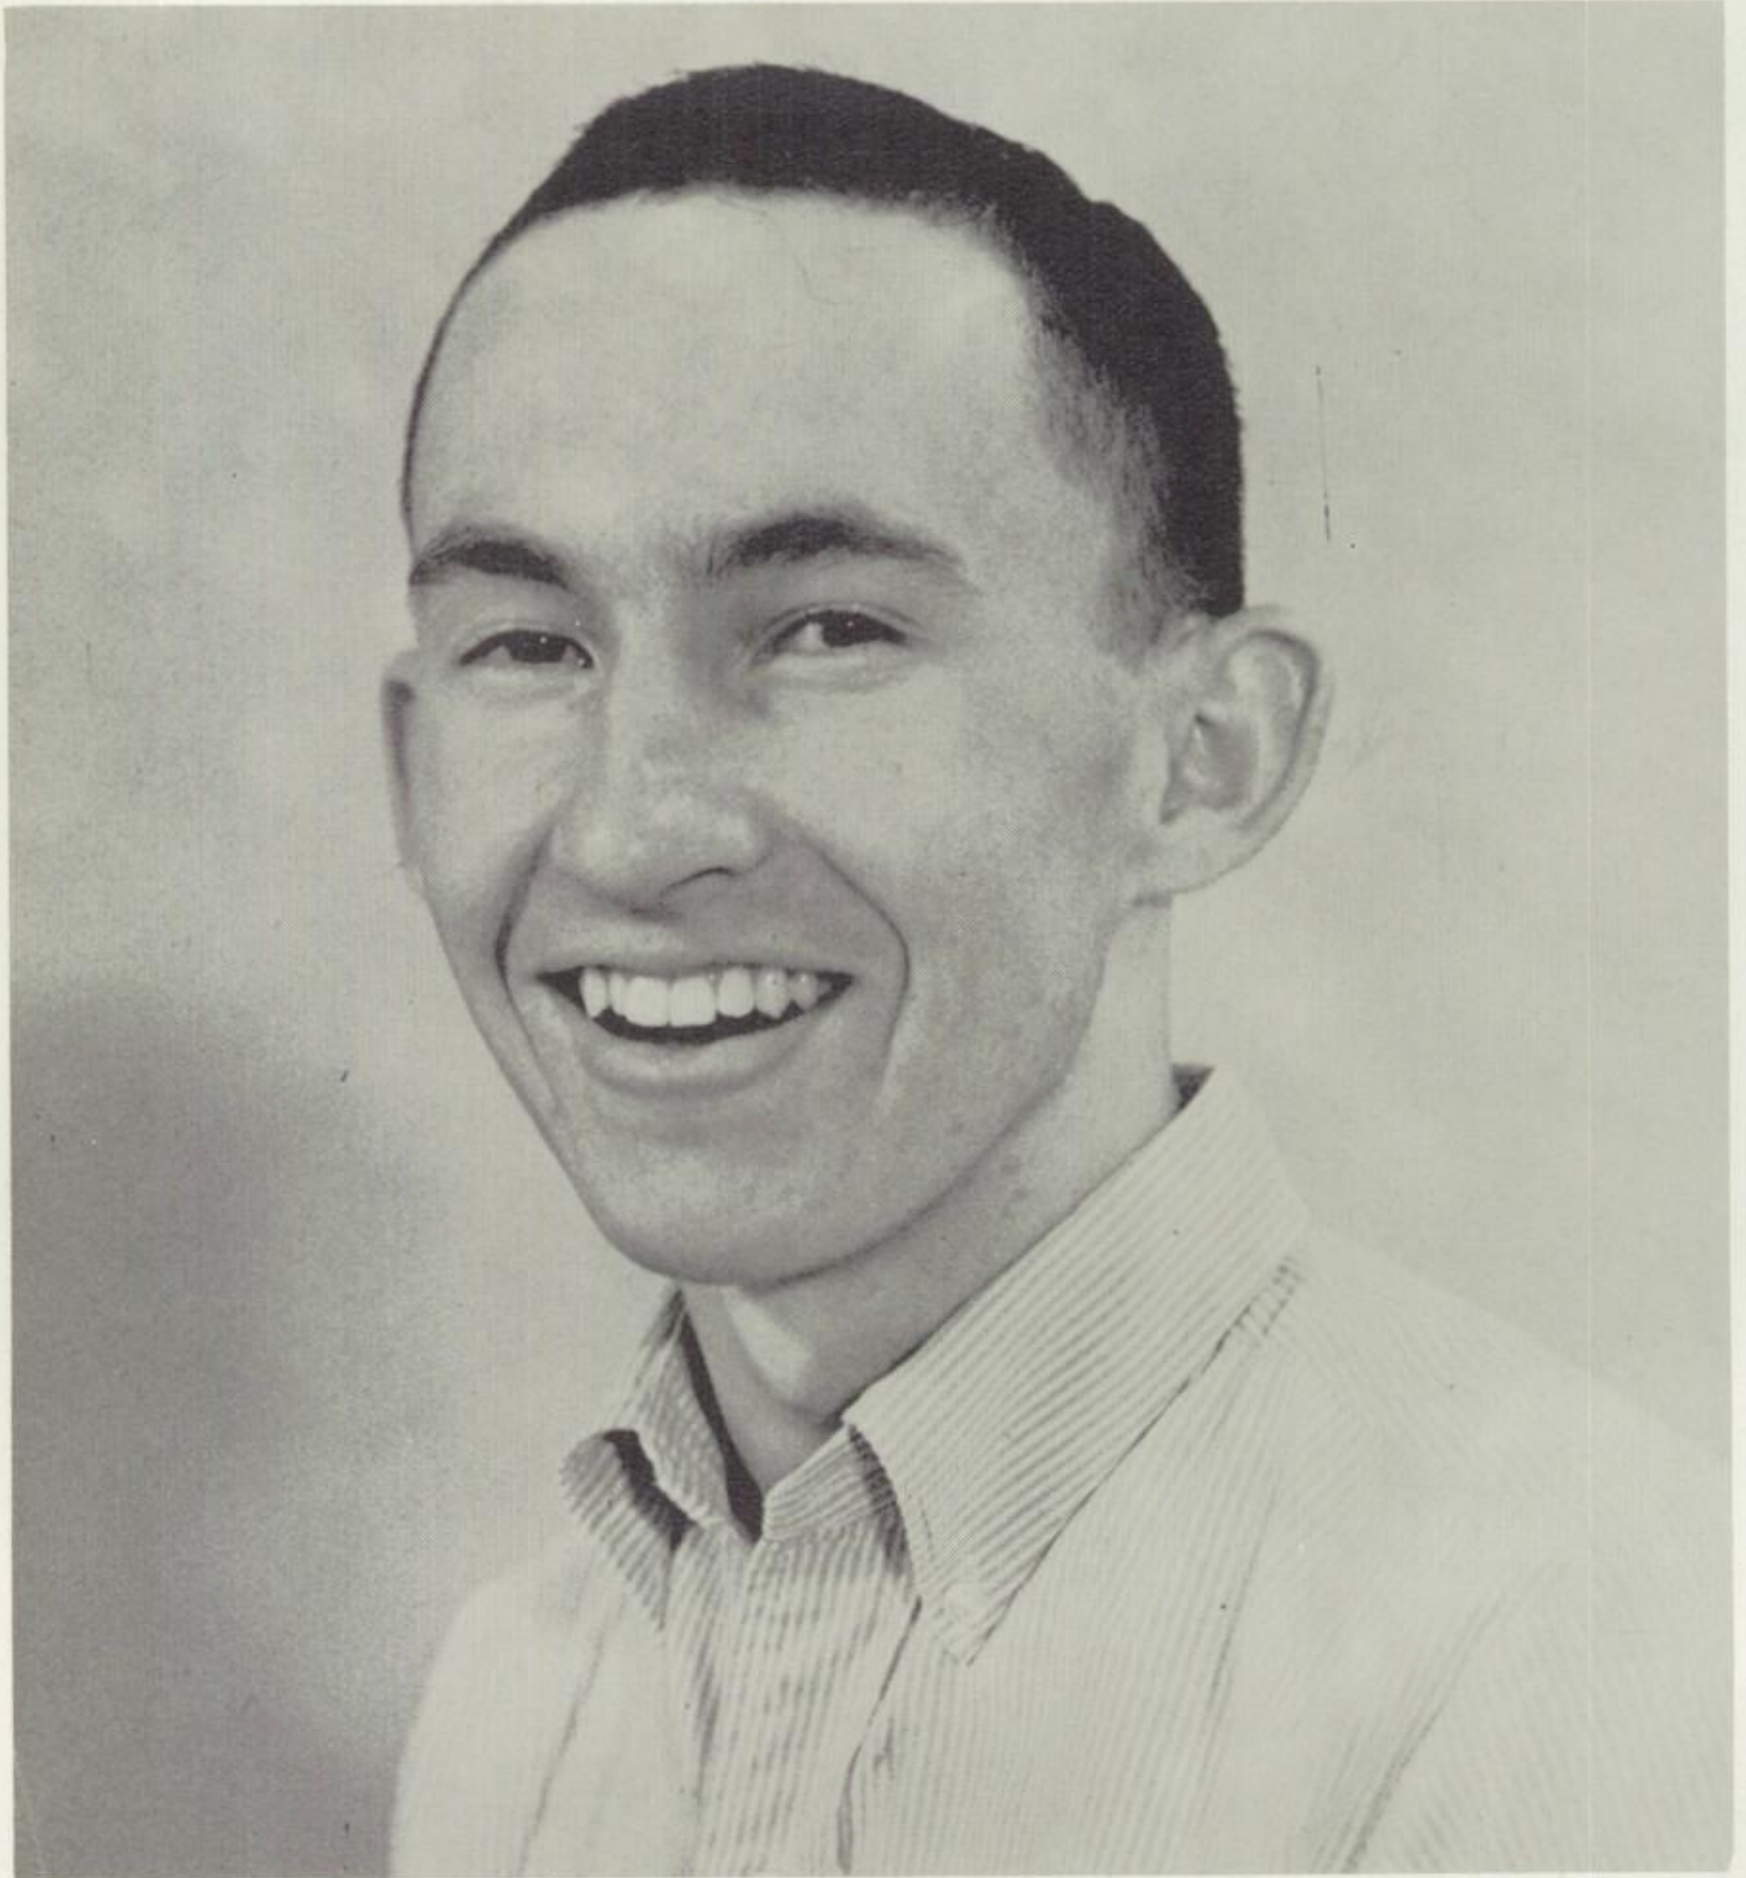

Through the efforts of the speech and music departments Adamson again enjoyed a memorable Christmas assembly. The scenes pictured on this page are those which were given in connection with appropriate songs. We should never forget the true meaning of Christmas as told in this story.

## UGLY MAN

MARVIN COATS

Good looks are merely in the way in Adamson's annual Ugly Man contest sponsored by the bi-weekly newspaper, the Acorn. Four boys from each classification are selected from homeroom nominations, and through ballots published in the Acorn. One from each classification is selected. From these, Adamson's most popular boy is chosen THE UGLY MAN!
